Dennis, do you want anyone else on the call with you? For example, myself and/or Joelle Gore?

Will:

The Wednesday call at 8:30 Pacific time is with Richard and Dick. I'm able to cover it if you can't make it but would love to have you on if you can. This is the final call with them before the Federal Register notice goes out and we will be responding to their comments on the last list of improvements needed to the program.

Dear Joelle, Christine, Lynda et al

I note two meetings/calls Wednesday morning to go over roll out stuff. I am quite busy with **Non-Responsive** **Non-Responsive** May I defer my participation in these calls, assuming you'll Dennis and me in as needed. Advice welcome. If my participation is essential, then ok, but normally not the case. . . .

thank you,

WS
